- However, Research/ Teaching Assistants appointed on a full-time basis by the University for teaching/ research and having registered for the Ph.D. Programme in the same area may be exempted from attending classes as per discretion of the SDC.
- A part-time/ sponsored Research Scholar shall spend a minimum of 7 days during a semester to seek professional guidance from his/ her Supervisor(s) and/ or avail the library/ laboratory facilities.
- The SDC may allow an overseas candidate to meet the attendance requirements in his/ her place of residence provided the University has some form of collaboration with the university/ institute concerned.

### **14. REGISTRATION PERIOD**

The minimum and maximum period of study and research shall be 3 years and 7 years respectively from the date of registration of the student. However, in case the performance of a Research Scholar has been exceptionally good, the minimum period can be reduced by six months upon approval by the SDC.

### **15. COURSEWORK**

- The coursework approved by the SDC shall be offered to the candidate who will be required to complete the prescribed courses.
- The candidates may be recommended additional courses or given credit for coursework already completed in the University or any other university provided the coursework meets the requirements.
- The candidate shall obtain at least 50% marks or equivalent in each individual course and at least 55% marks in aggregate across all the courses or an equivalent grade to successfully complete the coursework.
- A candidate who has already completed his/ her Ph.D. coursework/ M.Phil. from another university/ organization may be exempted from the coursework upon approval by the SDC.
- A full-time candidate must complete the coursework within one year from the date of registration. A part-time candidate must complete the coursework within two years from the date of registration.

## **16. SYNOPSIS**

- Upon successful completion of his/ her coursework, each candidate shall make a presentation before the SDC of a Synopsis of the research proposal and demonstrate her/ his preparedness to carry out the proposed research.
- The candidate shall present and defend the Synopsis within one semester after completing all prescribed coursework in the case of a full-time candidate and within two semesters in the case of a part-time candidate.
- The Synopsis shall comprise the following:
  - Outline of research proposal
  - Summary of the current developments in the area of research
  - Methodology
  - Originality of the research and its contribution to the discipline
  - Names of academic/ industry experts with whom the candidate corresponded while developing the research proposal
- The SDC shall either approve the Synopsis or require the candidate to submit a revised Synopsis.
- A candidate shall ordinarily be allowed only two attempts for presentation before the SDC. In case the Synopsis is not approved within the limitations prescribed in this clause, the registration shall be cancelled.

## **17. THE MEMBER SECRETARY, SDC AND UDC**

The roles and responsibilities of the Member Secretary, SDC and UDC are set out in Annexure A.

## **18. PERFORMANCE MONITORING/ PROGRESS REPORT**

- The academic progress of each Research Scholar shall be monitored by the SDC through the Supervisor(s) on the basis of a Progress Report at the end of each semester. For this purpose, each Research Scholar shall submit a Progress Report to his/ her Supervisor(s) at the end of each semester.
- The SDC, after having considered the Progress Report of a Research Scholar, shall recommend one of the following:
  - Continuation of registration.
  - Continuation of registration and issuance of a warning to the Research Scholar and/ or making recommendations in consultation with the Supervisor(s) on the steps necessary to improve his/ her performance.
  - Cancellation of registration.

## **19. PRE-SUBMISSION SEMINAR**

- Every Research Scholar upon completion of his/ her research work shall present the research work to the SDC through his/ her Supervisor(s) in hard copy spiral bound, consisting of:
  - Introduction, including background context and motivation
  - A detailed literature review

- Gaps in the literature surveyed
- Research Questions and Research Objectives
- Research Design & Methodology
- Tools & Data analysis
- Results and Discussion
- Conclusions/ Findings
- Further scope of research and Limitations

- Thereafter, the Research Scholar will be required to make a 45-minute power point presentation before the SDC, respective Supervisor(s), faculty members and other Research Scholars.
- The SDC shall either approve the presentation of the research work or require the Research Scholar to make a revised presentation.

## **20. SUBMISSION OF THESIS**

- The Research Scholar shall submit his/ her thesis within six months after the approval of the presentation of his/ her research work at the pre-submission seminar.
- If he/ she fails to submit his/ her thesis within the stipulated time and has suitable justification for the same, the SDC may grant an extension of not more than 6 months.
- Prior to submitting the thesis, the Research Scholar shall arrange for the publication of one research paper in a refereed journal and provide either a reprint of the article or a letter of acceptance.
- The thesis shall be a piece of research work characterized either by discovery of new facts or enunciation of a new theory or theories or by fresh interpretation of known facts. It shall bear evidence of the Research Scholar's capacity for analysis and judgment as well as his/ her ability to carry out independent investigation, design or development.
- The Research Scholar shall submit a certificate from his/ her Supervisor(s) in the prescribed format that the work embodied in the thesis is original and has been carried out by the author.
- The thesis shall be prepared according to the format contained at Annexure D.
- Three copies of the thesis in soft binding along with one copy on Electronic media for record shall be submitted to the Examinations Office for evaluation. In case of a Research Scholar being supervised by more than one Supervisor/ Co-Supervisor, the appropriate number of additional copies shall be submitted.
- The Research Scholar shall submit the thesis along with printouts of the Plagiarism checking software generated certificates. These printed certificates must be duly signed by both the student and the Supervisor(s) provided pre-set norms are met.

## **21. APPOINTMENT OF EXAMINERS**

- A panel of at least six experts in the subject area of the research work shall be prepared by the SDC with at least one expert from outside Haryana and at least two experts from outside India. The Supervisor(s) shall propose experts to form the panel but the SDC may delete any of the names proposed and/or add other experts.

- A person from the same university/ institute/ organization where the Research Scholar is registered or employed shall not be appointed as an examiner. Furthermore, a person from a university/ institute/ organization to which the Supervisor(s) belongs shall not be appointed as an examiner.
- Upon receipt of the abstract of the thesis, the SDC shall send the names of the panel of examiners to the Vice Chancellor who shall appoint two examiners, one of whom must be from outside Haryana and one of whom may be from outside India.
- In case an examiner so appointed declines to examine the thesis, another examiner(s) shall be appointed out of the panel. In case the panel gets exhausted, the SDC shall propose additional names.

## **22. EVALUATION OF THESIS**

- Each examiner shall be requested to submit to the Examinations Office a detailed assessment report on a prescribed proforma within 60 days of receiving the thesis.
- In the event that the assessment report is not received from an examiner within 60 days, the Vice Chancellor may appoint another examiner from the panel of examiners for evaluating the thesis.
- The examiners shall be required to state categorically whether, in their individual opinions, the thesis shall be:
  - Accepted for the award of Ph.D. Degree,
  - Referred to the Research Scholar for revision and resubmission, or
  - Rejected.
- The examiners shall state the reasons for recommending resubmission/rejection of the thesis. If resubmission is recommended, the examiners shall indicate the modifications that shall be made in the thesis.
- The reports from the examiners shall be placed before the SDC. The SDC shall peruse the reports and decide one of the following:
  - That the Research Scholar shall appear for an Oral Defence, if the examiners have unanimously approved his/ her work.
  - That the Research Scholar shall revise the thesis and resubmit it, if the examiners are unanimous that the thesis be submitted in a revised form.
  - That the thesis be rejected, if the examiners are unanimous that it be rejected.
  - If the examiners are not unanimous, that a third examiner be appointed by the Vice Chancellor to assess the thesis.
- The Examinations Office shall inform the Research Scholar of the decision of the SDC.
- In the event of acceptance of the thesis, the Examinations Office shall arrange for the Oral Defence.
- In the case of rejection, the Research Scholar shall be advised to re-register for a minimum duration of one year and a maximum duration of two years.
- In the case of resubmission, the revised thesis shall be submitted within a period of one year from the date of communication by the Examinations Office of the decision of the SDC. However, in exceptional circumstances the SDC may extend this period by up to one more year. The revised thesis shall be sent to the original examiners for assessment. In the event of one or more of the original examiners not being available, another examiner(s) may be appointed by the Vice Chancellor. If the examiners are not unanimous to approve the thesis for the Oral Defence, the thesis shall be rejected.

- In the case of a decision that the thesis be re-assessed by a third examiner, the examiner shall be requested to submit to the Examinations Office a detailed assessment report on a prescribed proforma within 30 days. The examiner shall be required to state categorically whether the thesis shall be accepted for the award of Ph.D. degree, referred to the Research Scholar for revision and resubmission or rejected. The report will be considered by the SDC along with the reports of the other two examiners. The SDC shall decide: (a) to approve the thesis for an Oral Defence; (b) that the thesis shall be revised and resubmitted; or (c) that it shall be rejected.
- Each examiner shall be paid an honorarium decided by the University for evaluating the thesis.

### **23. ORAL DEFENCE/ VIVA VOCE EXAMINATION AND AWARD OF DEGREE**

- Within one month from the decision of the SDC that the Research Scholar shall appear for an Oral Defence/ vive voce examination, the Oral Defence shall be held by a Board of Examiners consisting of the Supervisor(s) and one of the examiners who evaluated the thesis, to be nominated by the Vice Chancellor. In case neither/ none of the examiners who evaluated the thesis is able to conduct the Oral Defence, the Vice Chancellor shall appoint another examiner from the panel of examiners to the Board of Examiners.
- The Oral Defence shall, unless decided otherwise by the Vice Chancellor, be held at the University in the School concerned. The date and time of the Oral Defence and the subject of the thesis shall be notified by the SDC among the teachers and the Research Scholars of the concerned School, who may be permitted to be present at the time of the Oral Defence, but they shall have no right to put any question to the examinee. The Board of Examiners shall adopt a report indicating either that the thesis is “Not Qualified” or recommending that the Ph.D. Degree be awarded.
- The examiner shall be paid an honorarium decided by the University for conducting the Oral Defence.
- In the case of the “Not Qualified” indication, the Research Scholar shall be advised to re-register and write a fresh thesis, thus repeating the entire process after the completion of the coursework.
- In the case of a recommendation that the Ph.D. Degree be awarded, the reports of the examiners on the thesis and the Board of Examiners on the Oral Defence shall be placed before a meeting of the UDC, to be held within one month of the Oral Defence. The Research Scholar shall be invited to the UDC meeting. At least one week's notice shall be issued for the meeting. If the Principal Director/ Dean/ Vice Dean/ Associate Dean of the School/ Institute is not able to participate in the meeting, the Vice Chancellor will co-opt any other senior faculty member of the School/ Institute in his/ her place. The UDC shall decide on the approval of the award of the Ph.D. Degree.
- Upon the approval by the UDC, the Examinations Office shall issue the notification of the award of the Ph.D. Degree.
- Following the successful completion of the evaluation process and announcements of the award of the Ph.D. Degree, the University shall submit a soft copy of the Ph.D. thesis to the University Grants Commission (UGC) within a period of 30 days, for hosting on INFLIBNET which shall be accessible to all institutions/ universities.
- Along with the Degree, the University shall issue a certificate certifying that the Degree has been awarded in accordance with the provisions of the Ph.D. regulations of O.P. Jindal Global University and the relevant UGC Regulations.

## **24. PUBLICATION OF THESIS**

- The permission for publication of the thesis if applied for by the concerned Research Scholar may be given by the Vice Chancellor if the examiners have recommended that the thesis is suitable/ fit for publication. If there is difference of opinion between the examiners regarding the publication of the thesis, the case shall be referred to a committee consisting of the following for consideration and recommendations:
  - Dean/ Vice Dean of the School - Chairman
  - Supervisor of the Research Scholar - Member
  - Co-Supervisor of the Research Scholar - Member
- Where the Dean of the School is the Supervisor, the Vice Chancellor would nominate some other expert on the committee.
- The recommendations of the committee shall be referred to the Vice Chancellor for consideration and approval.

## **25. UNFORESEEN ISSUES**

In the event of any unforeseen issues not covered by these regulations, the Vice Chancellor is the final authority to take decisions upon the advice of the UDC.

## **ANNEXURES**

### **ANNEXURE A**
